Personal, Social and Emotional Development
We will learn to be aware of our own feelings and know some actions and words can hurt others.

Mathematics
We will learn to show an interest in shape by sustained construction activities or talking about shapes or arrangements.

Communication and Language
We will learn to follow directions.

Understanding the World
We learn to show an interest in different occupations and ways of life.

Expressive Arts and Design
We will learn that we can use lines to enclose a space and these spaces become objects.

Spring 1: People Who Help Us

Physical development
We will learn to run skilfully and negotiate space successfully, adjusting speed or direction to avoid obstacles.
